Our state of art breast imaging services includes:

- USG guided vacuum assisted breast lump excision.
- MRI guided vacuum assisted breast biopsy
- Breast MRI on 3 Tesla machine on a 16 channel breast coil.
- High resolution ultrasound with elastography and 3D facilities
- Digital mammography with CAD
- Vacuum assisted breast biopsy under ultrasound and stereotactic guidance
- Ultrasound guided breast biopsy / FNAC
- Ultrasound guided wire localization / breast marker placement
- Stereotactic core biopsy / stereotactic wire localization
- PET CT for complete staging of the locally advanced disease
- Sentinel node biopsy

COMPREHENSIVE REVIEW OF BREAST IMAGING

In collaboration with Breast Imaging Society of India

22nd - 23rd April, 2016

Invitation

Medanta - The Medicity in collaboration with Breast Imaging Society of India invites you to the ‘**Comprehensive Review of Breast Imaging**’ on 22nd - 23rd April, 2016. The aim of this workshop is to provide training in all aspects of breast imaging and interventional techniques in the form of didactic lectures, case discussions, mammography reading session, breast MRI interpretation workshop and hands on training in interventional techniques using phantoms.

‘**Comprehensive Review of Breast Imaging**’ will better prepare you to: Hone your mammography interpretation skills in early detection and reducing the recall rates without missing cancers.

Understand the latest additions to the BI-RADS® manual and how to use those changes to improve your daily practice

Stepwise breast MRI interpretation.

Enhance image-guided biopsy skills.

Develop a practical approach in management of breast problems.

Sincerely,

Organising Chairman

Dr. S. S. Bajjal
Director
Department of Radiology
& Nuclear Medicine

Organising Secretary

Dr. Jyoti Arora
Senior Consultant
Department of Radiology
& Nuclear Medicine

Scientific Program

Venue: 2nd Floor Auditorium
Medanta - The Medicity
Sector - 38, Gurgaon, Haryana - 122001

COMPREHENSIVE REVIEW OF BREAST IMAGING

DAY 1		Friday, 22 nd April, 2016	
9:00 AM - 9:15 AM	Registration		
9:15 AM - 9:30 AM	Welcome address		
9:30 AM - 10:30 AM	Mammography Soups to nuts	Dr. Smriti Hari & Dr. Jyoti Arora	
10:30 AM - 1:00 PM	Mammography Workshop		
1:00 PM - 2:00 PM	Lunch		
2:00 PM - 3:00 PM	Breast MRI interpretation	Dr. Sangeeta Taneja & Dr. Jyoti Arora	
3:00 PM - 5:00 PM	Breast MRI Workshop		
2:00 PM - 3:00 PM	How I Do It session	Dr. SanjayThulkar & Dr. Suma Chakarbarthi	
3:00 PM - 5:00 PM	Breast interventions workshop		
DAY 2		Saturday, 23 rd April, 2016	
Chairperson:	Dr. Chandramohan, Dr. Harit Chaturvedi		
9:00 AM - 9:30 AM	Breast Ultrasound - Follow up VS. Biopsy	Dr. Punam Bajaj	
9:30 AM - 10:00 AM	Management of Mastitis - Acute vs Granulomatous	Dr.Vedant Kabra & Dr. Richa Bansal	
10:00 AM - 10:30 AM	Triple assessment in Nipple discharge	Dr. Kanchan Kaur & Dr. Jyoti Arora
