of applications*

**April 30<sup>th</sup>**

*Interview*

**May-3<sup>rd</sup> week**

*Selection announcement*

**June 10<sup>th</sup>**

*Commencement of training*

**July 1<sup>st</sup> onwards**

We hereby invite applications for **Dr Kakarla Subba Rao Breast Imaging Fellowship**. The eligible applicant should mail their details along with an essay of about 500 words explaining why they want to specialize in breast radiology, to the BISI email ([breastimagingociety@gmail.com](mailto:breastimagingociety@gmail.com)).

Interviews will be held by a panel of BISI members in the month of May and selection results will be declared in the first fortnight of June.

The fellowship can commence after July 1<sup>st</sup> 2022 but should be completed before February 2023. Please refer to the website for the eligibility criteria and other details. Any queries may be mailed to the BISI.
