

DR KAKARLA SUBBA RAO BREAST IMAGING FELLOWSHIP

*Last date for receipt
of applications*

May 10th

Interview

Last week of May

Selection announcement

June 15th

Commencement of training

July 1st onwards

We hereby invite applications for **Dr Kakarla Subba Rao Breast Imaging Fellowship**. The eligible applicant should mail their details along with an essay of about 500 words explaining why they want to specialize in breast radiology, to the BISI email (breastimagingociety@gmail.com).

Interviews will be held by a panel of BISI members in the month of May and selection results will be declared in the first fortnight of June.

The fellowship can commence after July 1st 2023 but should be completed before February 2024. Please refer to the website for the eligibility criteria and other details. Any queries may be mailed to the BISI.
